

SHORT-TERM MISSION SERVICE VOLUNTEER OPPORTUNITY

DOMINICAN REPUBLIC– Financial Accounting Project

TRIP PROFILE

Start Date: flexible, starting any time after January 15, 2019

Trip Length: 4-12 weeks

POSITION DETAILS

If you are an accounting professional or have accounting experience, the Office of International Mission - Latin America & the Caribbean has a unique opportunity for you! Work alongside the Regional Business Manager in Santiago, Dominican Republic to assist with the implementation of a world-class, cloud-based enterprise financial accounting software application. Tasks include financial transaction importation and input, account and bank reconciliation, assistance with budget and report preparation, and the like.

On-site housing is provided and on-field living expenses will be covered. On-field travel and international medical insurance are also provided.

Skills needed:

- Demonstrated practical accounting experience;
- Competency in modern financial accounting software;
- Proficiency in Microsoft Office 365;
- Familiarity with Spanish language preferred.

MORE INFORMATION

Rejoice with us as we spread the Gospel, plant Lutheran churches, and show mercy across Latin America. Our missionaries and partner churches support 43 church plants in 14 countries. We give thanks for the young men training to be pastors, who will tell the Good News to this generation. Lutheran education is paramount, reaching our young people with an incredible 155 schools in 10 countries. Through His Word, our dear Lord Jesus extends His church through His mighty Holy Spirit so that we might together make His Name known to those who sit in darkness!

**LATIN AMERICA
AND THE CARIBBEAN**
